# **Host a Goodwill Donation Drive!**

Goodwill turns your donations into jobs and job training for people with disabilities and other special needs right here in our community.

Revenue made from your donated items fund training programs that give people the skills they need to become self-sufficient and independent. Help out our cause and host a donation drive to collect clothing, household goods, and e-waste!

SACRAMENTO VALLEY  
NORTHERN NEVADA

### Here are some helpful tips and steps:

1. Gather your friends, family, classmates, or co-workers and tell them how their donations impact their community. Set a goal for your donation drive. Will you measure pounds donated? How about setting up a competition for your drive? There are many ways to make your event fun!
2. Schedule a drive by calling **916-395-9000**. You'll need the following information:
  - Date, location, and time of drive
  - How many trucks/bins you will need
3. Promote your drive at least two weeks in advance! There are many ways to do this including through Facebook, Twitter, your company's newsletter, your local newspaper, your school's assembly, daily announcements, flyers and email.
4. On the day of the drive, Goodwill will dispatch a truck and a Donation Attendant to the location of the drive. The Donation Attendant will provide donation receipts to all donors.
5. Tell us about your drive! Email us pictures and results of your donation drive and we will post on Facebook and our website!
